Institution's Innovation Council (IIC)

The Institution's Innovation Council at Government Raza Post Graduate College, Rampur focus on creating a complete ecosystem to foster the culture of Innovation from ideas generation to pre-incubation, incubation and graduating from the incubator as successful start-ups. GRPGC IIC will also work on evaluation systems to identify and develop students to transform themselves from dependent to startups. IIC is set up to encourage the creative energy of our student population to work on new ideas and innovation and promote them to create start-ups and entrepreneurial ventures.

Major Focus

- To create a vibrant local innovation ecosystem.
- Start-up supporting mechanism in HEIs.
- Prepare institute for Atal Ranking of institutions on innovation achievements framework.
- Establish function ecosystem for scouting ideas and pre-incubation of ideas.
- Develop better cognitive ability among students.

Function of IIC

- To conduct various Innovation, IPR and entrepreneurship-related activities prescribed by MIC in time bound fashion.
- Identify and reward innovations and share success stories.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
- Network with peers and national entrepreneurship development organizations.
- Create an Institution's Innovation portal to highlight innovative projects carried out by institution's faculty and students.
- Organize Hackathons, idea competition, mini-challenges etc. with the involvement of industries.

Preface

Academic and Administrative Audit (AAA) is the process of evaluating the efficiency and effectiveness of an academic institution. First time college conducted AAA for academic session 2018-19 to 2023 to review the programmes and academic activities in the departments and in the institution. AAA involves a peer review process including a self-evaluation and a site visit by peers from inside and outside the institution. The aim of AAA is to analyse and evaluate the institution's academic and administrative processes. It enables the institute to improve the quality of the institution as a whole. It ensures the proper use and effectiveness of the systems, infrastructure, practices, human resources and facilities in the practice of the institution. AAA gives an insight into the strengths, weaknesses, opportunities and challenges of the institution. Based on the AAA reports, corrective and enhancive measures are adopted in a futuristic manner.

The AAA team was assisted by the IQAC members for conducting the audit. The Committee had a formal meeting with the Principal, Head of Departments and the Coordinators during which Principal presented the overview of the institute, developments and the achievements made. AQAR of all the corresponding years (2018-19 to 2022-23) and documents are considered for preparation of this report. Members of the team were briefed about the objective of the audit and the procedure involved

About College

Rampur is a historical city known for its captivating grandeur. Khusro Bagh Palace, popularly known as Nawab's Summer Palace, is presently housing the Government Raza Post Graduate College, Rampur, the oldest government seat of higher education in Uttar Pradesh. It stands in tranquil surroundings and is one of the most elegant monuments of Indo-European architecture in north India.

The last ruling Nawab of Rampur State, Sir Syed Raza Ali Khan, the founder of this college, donated the entire building and campus of Khusro Bagh Palace to the college and the quality furniture of the dissolved Rampur State Constituent Assembly was transferred to it. Thus, college came into existence on 16th July 1949 at the state expense and maiden academic session started on 2nd September 1949. The postgraduate classes started here during the year 1968-69.

VISION

Offering Higher Education system with a view of producing a manpower of the highest quality to meet the multiple needs of economy and development of the knowledgeable Society.

MISSION

To transform the Institution into one of the best Government Institutions of Higher Education in the Country, with the aim of developing citizens, equipped with the knowledge and skills and attitude to be the members of a knowledgeable society, committed to national development, respecting diversities present in the Indian Society, embedded with national and human values and responsive to national and social needs and the power of economic self-reliance.

GOALS

- To develop the knowledge, attitude and skills in the students to the nationally accepted levels of quality and standards.
- To provide computer literacy as well as high level of competency in students regarding communication skills in Hindi and English.
- To provide high quality higher education at minimal financial cost.
- To develop effective collaboration with national and state level organizations for undertaking professional courses and research in priority areas at state and national level.
- To develop strong commitment in the students towards national, social and community needs.
- To protect and nurture the interests of women / minorities and weaker sections of the society.
- To enhance the quality of teaching-learning process by increasing the academic and professional competence of the teachers.

CORE VALUE

- 1- Students are the primary reason that we exist as an institution.
- 2- We live with Integrity, Civility, and Honesty.
- 3- We relentlessly pursue excellence.
- 4- We embrace diversity and inclusion.
- 5- Creativity and scholarship are our culture.
- 6- We teach.... We learn....We interact....We nurture....We grow citizen for tomorrow. We do the basics and more.
